

# FREE SCHOOL MEALS

**ALL students** can receive a free breakfast and lunch through the National School Lunch Program Seamless Summer Option each school day in the 2021-22 school year ensuring they are fueled and ready to learn.

## Why should you take part in your school's free school meal program?

- ◆ USDA covers the cost of the meals for **ALL STUDENTS.**
- ◆ Your child will receive a well balanced breakfast and lunch daily that include whole grains, protein, vegetables, fruit & milk! This will help them concentrate throughout the day!
- ◆ Free school meals help extend families food budgets and can save time on meal preparation.
- ◆ Every meal that is served helps your district food service program.

**\*\* Each student will be eligible for one complete breakfast and one complete lunch in the 2021-2022 school year. This is made possible by the USDA waiver extending meals at no charge during the ongoing COVID response. Ala carte and doubles will still be available for an additional charge.**

**Free and reduced applications will be encouraged and collected so that any future benefits that may become available such as Pandemic-EBT and continuation of meals in the first 30 days of the 2022-2023 school year will be on file.**

**This institution is a equal opportunity provider.**
